An Unofficial Program For the Advancement of Science, Creativity and Entertainment

## OFFICIAL APPLICATION FORM

The Henry Scholarship Program was originally founded in the spring of 2003 as “The Beacon of Light, Hope and Achievement for America Foundation.”

Today, we provide scholarship to two outstanding graduating high school students from Montezuma-Cortez High School.

The Henry Scholarship will be for a graduating high school senior that intends on enrolling at a 4 year institution to study science or engineering.

The Bill Scholarship will be a general purpose scholarship open to anyone that intends on enrolling at either a 2 or 4 year institution in any discipline.

**Applicants will be judged on:**

**Creativity, enthusiasm, graphic content, academic achievement, social (and community) involvement, quality of presentation, character, commitment to excellence, leadership, obstacles overcome and general merit.**

**Application forms must be typed or handwritten in legible English in no smaller than 8 pt script. Applications must be limited to 15 pages.**

**Please submit, at a minimum, the following items in your application for review by our committee:**
